

# WATERLOO PRACTICE PATIENT PARTICIPATION GROUP

## Fund Raising Activities

We are actively seeking to raise funds for a variety of reasons, one being the support of our group, we are all volunteers, but there are expenses, such as postage when sending out information, printing for our meetings and in future we hope to host speaker events, which we will need to fund the refreshments.

To start off we have discussed and feel that a book club would be a good way of raising small funds.

We are going to place a unit in the reception of the surgery with books on, also ask you to place your donation in the PPG Message Box which is on the wall where you walk down the corridor to see the Doctor, or ask reception staff.

All we ask is that you bring along any books you no longer need and take any books you wish from those there, and if you can contribute a small amount to help us raise funds. These can be children's or adults books, all welcome.

**Many thanks for your support  
Angela and Ann**
